

ABOUT

HELP New Mexico's Community Services Block Grant (CSBG) is designed to assist limited-income individuals on their journeys to achieve their educational and employment goals. This happens through an individualized array of supportive services and emergency assistance, so families will have their needs met while education and/or job training is ongoing.

HELPMN provides services to individuals and families, youth, veterans, migrant and seasonal farm workers and seniors.

Our priority is to provide general services related to economic security and family well-being. We assist limited-income individuals on their journeys to achieve their educational and employment goals.

HELP New Mexico's Community Services Block Grant (CSBG) through its Office of Economic Empowerment, regional and satellite offices.
