HELPNM

Dear Friend,

HELP New Mexico, Inc. (HELPNM) is proud to announce our Central New Mexico Annual Golf Classic to be held on Friday, June 12th, 2020, at the Santa Anna Golf Course. Our goal this year is to raise \$30,000 dollars to enhance the many services we provide throughout New Mexico.

HELPNM looks toward a bright future filled with innovation and expansion as we move forward with the consolidation into CPLCNM. Together we will combine resources and infrastructure and continue to create strong working relationships with stakeholders and policymakers. Our agency, HELPNM and now CPLCNM, are maximizing the value of our services together across New Mexico.

For over 55 years, HELPNM has committed to providing individuals and families with quality services that include adult education, job training, job placement, early childhood development and education, youth development and care, housing construction training, literacy training, affordable housing, nutritious meals, family counseling and emergency services.

This year alone, HELPNM's investment in opportunities for low-income families has resulted in 63,619 accessible services in poverty reduction or elimination for abused and neglected children, vulnerable populations such as seniors and the disabled, disadvantaged youth, migrant families, self-employed farmers and ranchers.

In support of our mission—"To empower positive action through sustainable social services, inspire and motivate through effective community improvement programs and to educate families and communities through innovative coaching"—a portion of this year's funds will be offered to driven females entering college or currently enrolled. We deeply value the opportunity to support individuals during their college experience and believe that this is a unique investment to eligible applicants. Award recipients will have a proven history of public service-oriented activities, commitment and passion towards building and improving their communities.

This is a great opportunity for your company to receive exposures to potential business partners, help support a worthy cause and have a fun day on the green! As a recognized leader and advocate within the community and through your investment to this annual event, you will contribute to the above programs and assist HELPNM to continue the advancement of individuals and families.

Enclosed please find details of the sponsorship opportunities for HELPNM. We ask that you consider a sponsorship commitment at one of many level opportunities.

We appreciate your consideration and look forward to hearing from you soon.

Thank You,

HELP New Mexico, Inc.

Roger Gonzales, Acting Chief Executive Officer
